# About ECD and Warranty

## Our Commitment

ECD is committed to building a product by applying the latest available technology and methods of production. ECD's Ergonomic Office Seating provides you with a healthy choice to give you the correct ergonomic solution to the needs of your high-tech working environment without sacrificing styling or design. We are also committed to professional, top-quality customer service and responsiveness to your needs, so that we may guarantee your full customer satisfaction.

## Our Goal

ECD's goal is to become a leader in our industry by providing a product designed for a healthier working environment.

## Our Responsiveness

ECD will strive to build product considering the users needs and evaluation of the product. We then determine ways to implement those desired improvements. We request your help by suggesting any products or features you consider important to your particular need.

## Our Warranty

Ergonomic Comfort Design makes every effort to improve the manufacturing process of its product by implementing the latest technology and method of production available with the highest standard of quality. We also take pride and pay special attention to inspect the quality of each individual unit before it is approved for shipment. In the unlikely event a product should fail, and service is deemed necessary under the warranty, Ergonomic Comfort Design warrants its product to the original retail dealer as follows:

## Use Warranty

- 12-year warranty for pneumatic cylinders, all frame parts, ratchets, bases, casters, controls, arm mechanisms, arm pads, foam, and adjustable lumbar option.
- 3 year warranty on upholstery materials such as fabric, vinyl, and leathers, under normal commercial use (COM/COL fabrics/leathers not covered).
- The above warranty covers 24/7 use for all task, executive and conference seating.

## Extra Large Chairs

- 1 year warranty for all components

All above warranty coverage is for parts and includes pre-approved labor reimbursement for the first 3 years. Labor is paid in the form of an account credit to the servicing dealer. The warranty for petite, standard, tall and large scale seating is limited to occupants weighing less than 350 pounds. Extra large seating is limited to occupants weighing less than 450 pounds.

Normal wear and tear of damages from neglect, accidental or intentional are not covered under this warranty. To place a clear understanding of the warranty, contact the dealer from whom the product was purchased with proof of date of purchase. Repair or replacement of different part(s) will be made through the dealer. The cost of packaging and shipping of chair parts to and from the dealer or factory is not covered through warranty.

## Terms and Conditions

### **All orders must include the following information for accuracy:**

- Quantity
- Catalog part number or model, fabric grade and color
- Description and special instructions
- Approximate date required
- Method of transportation
- Complete bill to and shipping address
- Purchase order number and date
- Signature of person placing order

### **Order Acknowledgement**

All orders will be acknowledged by ECD within 24 hours by email after orders are entered into our system. Should the customer find any discrepancy, please notify our company for correction immediately.

### **Orders Put on Hold**

All orders will be put on hold from production for past due accounts and filed in a suspense file until past due invoices are paid. Then the order will be rescheduled for production in the next production schedule.

### **Customers' Own Material (C.O.M.)**

All C.O.M materials must be shipped prepaid and marked with your company name, order number, and any special instructions. The effective date of the order is when the C.O.M. fabric is received. ECD cannot assume responsibility for the durability, flammability, or tailoring quality of the C.O.M. fabric.

Since fabrics vary greatly a 12" square sample, along with any special instructions must be submitted with the purchase order before approval of the material will be given.

ECD reserves the right to approve all fabric submitted.

## **Freight and Will Call**

All prices are F.O.B. destination, freight prepaid.

All Will Call orders should be picked up within five (5) working days of notification by ECD.

## **Order Changes or Cancellation**

After an order has been entered into ECD's system, it may be changed or cancelled only by mutual consent and at the sole discretion of ECD.

ECD cannot accept revisions or cancellation after work has begun and fabric has been ordered. Addition to the order may cause delays in shipping. If ECD agrees to change an order after work has begun, the customer will be notified and a 30% restocking fee will be charged to the customer's account.

## **Freight Damages and Claims**

Merchandise is carefully inspected and packed in an approved carton (when cartoning is necessary) before the product leaves the plant. Should you receive any portion the shipment in a damaged condition, either apparent or concealed, it is the duty of the consignee to accept the damaged goods and submit a claim to [orders@ecdergo.com](mailto:orders@ecdergo.com). This must be done within 5 calendar days of delivery.

## **Standard Production Schedule**

Most orders are shipped within 3-4 weeks from the date the order is received from customers for standard fabric, leather, and vinyl selection. Orders for C.O.M. materials will not be scheduled for production until complete yardage of materials are received.

## **Shipping & Dispatching Information**

Dealers should check with their representative or the factory for all freight rates. Residential deliveries or deliveries direct to end users can have additional charges so please contact ECD Customer Service at 951-277-1558 for exact freight quotes. Because of rapidly rising freight and fuel costs, ECD reserves the right to add surcharges or amend our freight program at any time.

## Aliviar Series - 1700

### Task Chair

Named for the Spanish word meaning “to relieve”, Aliviar will certainly provide needed comfort and relief. Aliviar’s unique shape provides focused support to the thoracic section of your upper back while allowing for unimpeded upper body movement. This support along with standard adjustable lumbar support and memory foam create a creatively comfortable seating solution.

#### JSLT Control

# QTU Series - 3900

## Task Chair

QTU Series is the same great chair as QT but with an upholstery over the mesh providing a unique look with the comfort and breathability of mesh. Highly engineered features for seat depth adjustment, back tilt, back angle, seat height, adjustable lumbar support and height adjustable arms are incorporated into a clean contemporary mesh back design. When you consider comfort, quality and value, QTU provides a smart solution.

### SNS Control

Easy 2 Lever  
Weight Adjusting  
Control.  
Standard  
Cylinder is #2,  
350 Pound  
Weight  
Capacity.

### JSLT Control

Easy 2 Lever  
Weight Adjusting  
Control with  
Standard Seat  
Slider. Standard  
Cylinder is #2,  
350 Pound  
Weight  
Capacity.

### JSXT Control

Full Function  
With  
Independent Seat  
& Back Angle  
Adjustment,  
Integrated Seat  
Slider. Standard  
Cylinder is #2,  
350 Pound  
Weight  
Capacity.

### JSQA Control

Quick Adjust  
Control with  
Standard Seat  
Slider and Side  
Tension  
Adjustment.  
Standard Cylinder  
is #2, 350 Pound  
Weight Capacity.

**Quest Series - 2500**  
**Task Chair**

Quest is defined as a search of pursuit made in order to obtain something. For ECD's Quest series, the pursuit was to create the most comfortable and ergonomic office chair in the industry. ECD developed this family of chairs to give each user unparalleled support and comfort. Each chair puts more support down the center of the back, in the thoracic area to keep the proper curvature of the spine while sitting properly upright.

**JSXT Control**

Full Function With Independent Seat & Back Angle Adjustment, Integrated Seat Slider. Standard Cylinder is #2, 350 Pound Weight Capacity.

## Notes

Metropolis Back changed to the Quest Back without standard lumbar

Cal TB133 has been discontinued

### New Products!

---

**Contorno Series** is a high performance task chair combining comfort, support and great style. Contorno's back is made from a highly flexible silicone allowing it to conform to and support your back remarkably well.

**Alviar Series** unique shape provides focused support to the thoracic section of your upper back while allowing for unimpeded upper body movement. This support along with standard adjustable lumbar support and memory foam create a creatively comfortable seating solution.

**Marvella Series** - Where Comfort Meets Calm

Marvella is a lounge chair that brings a refined sense of calm to any office, lobby, or executive space. Designed with clean lines and sculpted contours, it offers the perfect balance of style and relaxation.

SO MUCH MORE.

**ECD** ERGONOMIC COMFORT DESIGN
