

QUEST LITE

Quest Lite offers all of the outstanding ergonomics and comfort of Quest at a budget friendly price.

Quest Lite is defined as a search of pursuit made in order to obtain something. For ECD's Quest series, the pursuit was to create the most comfortable and ergonomic office chair in the industry.

ECD developed this family of chairs to give each user unparalleled support and comfort. Each chair puts more support down the center of the back, in the thoracic area to keep the proper curvature of the spine while sitting properly upright.
